

Certificate of Conformity

This is to Certify **Kopine Flooring Systems**

- **Ultralock™ 12**
- **Tongue & Groove12**

Product Description

Kopine Flooring Systems - Ultralock™12 and Tongue & Groove12, are high-density particleboard panels designed to offer a strong and quiet floor that is easy to install. The supplied glue bonds the panels together, to form a continuous flooring membrane and provides an effective seal against moisture, significantly reducing any potential for edge peaking. The floors are suitable for use as a floor diaphragm within the scope of NZS 3604.

Complies with the Building Code of New Zealand:

B1 Structure - B1.3.1, B1.3.2, B1.3.3 (a), (b), (f), (h), (j), (l), (q), B1.3.4 (a), (b), (c), (d)

B2 Durability - B2.3.1 (a)

F2 Hazardous Building Material - F2.3.1

Subject to the following conditions and limitations:

1. Kopine flooring systems must be laid in accordance with the relevant Kopine installation guide - Kopine Tongue and Groove Specification and Installation Guide (June 2017) and Kopine Ultralock Specification and Installation Guide (June 2017)
2. The subfloor must be ventilated and protected from external moisture
3. The flooring must be protected by a membrane or other impervious finish when installed in wet and splash areas.
4. The moisture content of the flooring must be no more than 18% before sealing or covering with a flooring product.
5. Kopine flooring systems are suitable for concentrated loads up to 180kg or uniformly distributed loads up to 200kg/m². Loads greater than these must be specifically designed.
6. Exposure to weather should be kept to a minimum, and no more than three months.

Kopine will notify AsureQuality Ltd in accordance with Regulation 15 of the Building (Product Certification) Regulations 2008.

"This certificate is issued by an independent certification body accredited by the product certification accreditation body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment (MBIE) under the Building Act 2004.

The MBIE does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificate conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product.

The MBIE disclaims, to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.

This certificate may only be reproduced in its entirety."
